

***EXCITING NEWS* ...FOOD TRUCKS!**

The POA board is happy to announce a new tradition for our neighborhood! **Starting THIS SATURDAY, a food truck will come to our neighborhood most weekends through the end of July!** This will be a great way to support small businesses and a fun activity to do with your family and friends. The food trucks will park in the cul-de-sac at 2809 Pinehurst Cove. The owners of the home in this cul-de-sac have graciously agreed to let the food trucks set up there so **please be respectful and do not leave any trash behind.** The schedule below includes starting times and the trucks expect to stay 2-3 hours or until they run out of food. See below for the trucks scheduled this month and their menu!

Saturday, May 16th starting at 4:00pm - Tacos Godoy

Saturday, May 23rd starting at 11:00am - Chop Chop Grill

TBD: Weekend of May 29-31 (*if we find a truck to fill this spot you will receive an email with updated information. If you know of any food trucks that would be interested, have them email the POA board at: longhillsvillagepoa@gmail.com)

May POA Yard of the Month

Congratulations to **Jacob & Maggie Adams** for being selected as having the LHV POA Yard of the Month for the month of May! Their beautiful home can be seen at 2706 Cypress Point and pictures of their home can be found on our neighborhood website: <https://longhillsvillagepoa.weebly.com/yard-of-the-month.html>

Can you help us?

Someone knocked down the light pole on St. Andrews and whoever did it left their bumper behind. If you know the (previous) owner of this St. Louis Cardinals license plate and bumper, we would love to talk to them. Click the envelope at the bottom of this email to reply if you have any information about this incident!
